### Community Mental Health Coordinator

The Pettis County Health Center is seeking a qualified individual for a 2 year grant funded position to work with individuals who are dealing with mental health issues and/or substance abuse issues and are currently involved in the criminal justice system. The goal of the program is to reduce the number of individuals with mental health issues who are incarcerated. This position will work closely with a variety of community members, coordinate care for identified individuals and collaborate with the local federally qualified health center as well as other community mental health service providers.

The ideal candidate will have a degree in social work, mental health services or other closely related field and have experience in working with individuals with mental health/substance abuse issues. The position includes a generous benefit package and salary as outlined in the grant funding.

Resumes may be submitted on line to Robin Bartlett at [robin.bartlett@health.mo.gov](mailto:robin.bartlett@health.mo.gov) or to the Pettis County Health Center at 911 E. 16<sup>th</sup> Street, Sedalia, MO 65301. The contact number is 660-827-1130. Pettis County Health Center is an equal opportunity employer. The anticipated start date for the position is early April.
